CHAIRMAN:

S. Tarasevicius, MD PhD,
Hospital of Lithuanian University of Health Sciences Kaunas Clinics

ORGANIZERS:

K. Subacius, MD,
Klaipeda University Hospital

J. Kurtinaitis, MD, PhD,
Vilnius Republic University Hospital

E. Kondruseviciene, MD,
Vilnius Republic University Hospital

FACULTY:

Traumatology session

- A. Cepas, MD
- M. Core, MD
- I. Floreskul, MD
- D. Gorbacev, MD
- K. Jurgelaitis, MD
- E. Kondruseviciene, MD
- Y. Lazarenko, MD
- R. Martinaityte, MD
- P. Masionis, MD
- A. Petrosian, MD
- S. Ryliskis, MD, PhD
- S. Sereika, MD
- S. Sirvinskas, MD
- I. Satkauskas, MD, PhD
- U. Cha, MD
- G. Vaitukaitis, MD
- R. Vrublevski, MD

Orthopedic session

- M. Core, MD
- Y. Hanusrichter, MD
- U. Kesteris, MD, PhD
- G. Kvederas, MD, PhD
- V. Loiba, MD, PhD
- G. Lukoseviciute, MD
- H. Malchau, MD, PhD
- S. Overgaard, MD, PhD
- G. Petryla, MD
- A. Smailys, MD, PhD
- J. Stucinskas, MD, PhD
- L. Siupsinskas, MD, PhD
- S. Tarasevicius, MD, PhD
- T. Sveikata, MD, PhD
- D. Ulevicius, MD
- L. Zeniauskas, MD

REGISTRATION FEES:

CONFERENCE ONLY:	Early registration (until 01.11.2026)	Regular registration (02.11 - 25.11.2026)	Late registration (26.11 - 27.11.2026)
BOS member	130 €	180 €	230 €
Non BOS member	270 €	320 €	370 €
Rehab / Resident / Nurs	60 €	100 €	120 €

REGISTRATION FEE COVERS:

CME Credits: CONFERENCE - 8
Refreshments during the Congress
Dinner after the Conference

PLEASE NOTE: limited spots available

TRAUMATOLOGY

Session I (11:00 - 13:00)

Upper extremity trauma and complications

Slides in English, presented in Lithuanian.

Moderator: ***S. Ryliskis***

11:00–11:05	Conference opening and welcome speech
11:05–11:25	My Proximal humerus reduction and fixation tips and tricks. *S. Sirvinskas*
11:25–11:45	Current Trends in the Treatment of Clavicle Fractures. *S. Ryliskis*
11:45–12:05	Failure and Complications after Humerus fracture fixation. *G. Vaitukaitis*
12:05–12:25	Distal radius fractures, current treatment recommendations. *S. Sereika*
12:25–12:40	Olecranon fractures – is surgery necessary for elderly? *R. Vrublevski*
12:40–13:00	Failure and Complications after Forearm fracture fixation. *A. Petrosian, I. Floreskul*

Luncheon: 13:00–14:00

Session II (14:00–16:00)

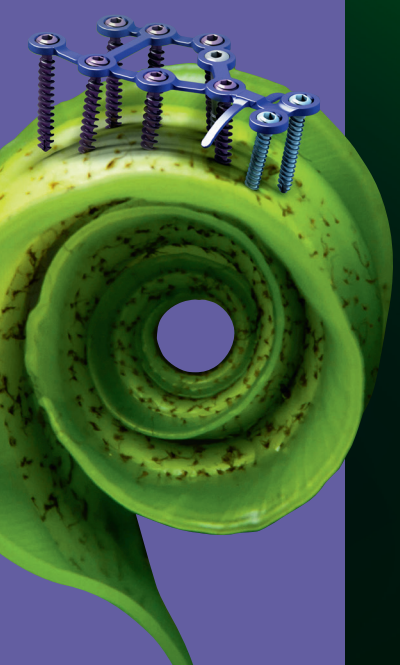

Lower extremity trauma and complications

Slides and presentations in English.

Moderator: ***E. Kondruseviciene***

14:00–14:20	Failure and Complications after Proximal Femur fracture fixation. *P. Masionis*
14:20–14:35	Proximal tibia fractures with posterior wall involvement. *K. Jurgelaitis*
14:35–14:55	Failure and Complications after Ankle fracture fixation. *D. Gorbacev*
14:55–15:10	Pilon fractures, timing and fixation strategy. *E. Kondruseviciene*
15:10–15:25	Atypical femoral fractures. *I. Satkauskas*
15:25–15:45	Difficult proximal tibia fracture. ORIF or replace? *M. Core*
15:45–16:00	Surgical Options for Comminuted Patella Fractures. *U. Cha*

Coffee Break: 16:00–16:15

4th annual
